

OUR CITY CENTER

INTRODUCTION

Hello, we are the Hudson's! My wife Rachel & I have been married for 15 years and have 4 children. Our family is so thankful that you are considering partnering with us in the kingdom work of impacting Berkeley.

We planted City Center Church in Berkeley less than 2 years ago and since our grand opening we have seen God doing some amazing things! But before getting the call to plant, I was the Executive Pastor of a multisite church in the Bay Area and oversaw 60 staff and 6 campuses in America and around the world. I earned my Master of Organizational Leadership and am in dissertation writing on my Doctorate in Strategic Leadership.

We believe if you impact Berkeley, you can transform the world!
